

FIREBALL WORLDS 2022

NEWSLETTER # 1

15/02/2022

Dear Fireballer, we would love to see you in Ireland this August for the World Championship on Lough Derg in Dromineer. After just a few weeks we have already received 34 entries for the Worlds with boats from IRL, UK, FR, RSA, CH, AUS & CAN. So, a true WORLD event is in the making. If you haven't yet registered, please consider joining us for what we believe will be a great event at a wonderful venue, in a beautiful location for a great holiday as well as great sailing competition. Thanks to all who have committed so far & good luck in the draw to get ALL YOUR MONEY BACK! Note that the event entry fee includes the prize-giving dinner and other social events.

It has been a difficult 2 years for everyone & planning and re-planning the event has been arduous for the organizing committee so we appreciate the commitment from international sailors to support us. The lead-up to this Worlds has allowed us to grow the class in Ireland to its healthiest state in several years and our sailors are looking forward to meeting the International Fireball community. It will help us greatly organize the event if you register now!

LOUGH DERG
the winning combination

Lough Derg is the **perfect** base to tick off your bucket list of Irish adventures. Just a short journey away from our infamous **Wild Atlantic Way**, **Cliffs of Moher** and the wonderful **Galway City**, a quick hop over to Dublin to check out the **Guinness Store**, and handy for the stunning and unmissable **Ring of Kerry**.

Whatever brings you to **Lough Derg**, there are plenty of activities to keep you occupied. With just the right balance of outdoor on and off water activities, great food and entertainment options, and some of the most impressive heritage sights on the island, we think a trip to Lough Derg is a total win.

You can take your pick of cruising along open water on a SUP kayak or cruiser or slowing it right down with an outdoor waterside yoga class. If you're talking high energy, there are plenty of trails to bike and hike which will get the adrenalin pumping. And, whatever shape your day takes, ending it with some great music, craic and food is always an option around **Lough Derg**.

HERITAGE JUNKIES
Spend some time at the majestic **Rock of Cashel** for your heritage fix and get a real feel of the long history of this stunning region. This World Heritage site is well worth being at the top of your agenda.

WATER BABIES
Grab a SUP kayak or your very own cruiser to float around the beautiful **Lough Derg**, catching the views from a very different vantage point. Go it alone or join in a group to get the lowdown of what not to miss.

OFF ROADERS
Jump on a horse or bike to travel the wooded trails around the Lough at your own speed. Pump up the adrenalin for your exercise fix or take your time and drink in the magical trails and woodland.

HIKE LOVERS
We've got short walks, challenging trails and multi-day hikes with some fabulous views across a variety of counties to make your efforts worthwhile!

HOLDING STILL
Slow down with some waterside yoga or to take in one of Lough Derg's signature sunsets. There's always time and space to still and chill around **Lough Derg**.

PEOPLE LOVERS
Our best attraction is our people. For story telling, excellent craic and plan old good manners, you'll be made feel welcome wherever you turn.

HUNGRY HORSES
We've got cafes, bars, pubs and restaurants growing with local produce to suit whatever you fancy. Grab a creamy chowder beside an indoor fire, a quick coffee and cake in a sunny spot or get the whole hog with a entire evening dedicated to trying out the best of local food washed down with our house ambience!
